While working with For Keeps Pet Training, I will adhere to the training plan and instructions as best I can. I agree not to use any training or management tools that have been cautioned by my trainer including physical punishment, shock or electric collars, plastic or metal prong collars, choke chains, "bark" collars, ultrasonic correction devices, or other devices intended to startle or cause pain to discourage behavior or withhold that they are being used without informing my trainer. I understand that such tools are contraindicated in any training or behavior plan that For Keeps Pet Training will provide, with regard to the official statement published by the American Veterinary Society of Animal Behavior against the use of punishment in behavior modification and training, and the advice of leading dog and animal training professionals around the world. Use of techniques other than those advised by your trainer can decrease efficacy of the training plan and prohibit progress. **Owner's Initials** \_\_\_\_\_
